

Your 2025 Business Prayer

“Lord my God, the Bible promises if I put my hope in the Lord and travel steadily along His path, He will honor me” (Psalm 37.34). With your help, I want to take that course of action in 2025. I admit I cannot

“Lord, I don’t know what this year holds, but You do. You own and control 2025. I praise You that I can count on You to be in the very center of my business this year. I know that my daily decisions significantly affect my character, success, cash flow, orders, clients, and prosperity, so give me uncommon insight to make the right moves. Also, prick my mind with an unmistakable “check” when I’m about to make a costly mistake. I’m so glad that everything over my head is under Your feet.

“Please give me Golden Connections with my customers and my suppliers. Give success to all the advertising I do. Please prompt my customers to tell their friends about my business and that many people will speak positive words about me. Also, protect my place of business from vandalism and may my equipment not breakdown during 2025.

“I need a good team to work with me. Give me loyal employees and colleagues who will work hard and be honest. Also, I ask you give me 2 or 3 Spirit-filled friends with whom I can pray. Help me develop good priorities, for I realize what I do daily determines what I become permanently. And please, Lord, increase my people-skills.

“Lord, I’ve lived long enough to realize not everybody likes me. Protect me from these people and expose their tactics so I’m not blind-sided by them. Both Moses and the Apostle Paul faced enemies, yet you supernaturally guarded them. I trust You to do the same for me. Defend me from people who would vandalize my property, steal my money or products, or spread ugly rumors about me or my business. I claim these words as my own: “But You, O Lord, are a shield around me; You are my glory and the One who holds my head high” (Psalm 3:3). I admit I’m not perfect, so forgive me, improve me, and protect me from people who would love to capitalize on my weaknesses.

I know the Scripture promises me that if I “honor the Lord with my wealth and with a tithe of all I earn, then God will fill my barns with grain and my vats will overflow with good wine” (Prov 3.9-10). Etch into my will the commitment to tithe. **Teach me that as my thermostat controls the climate of my home, my tithe controls the climate of my Financial Life.**

“Finally, I humbly ask You to give me...

- Good health,
- Wise judgment,
 - A strong family,
 - A grateful heart,
 - And a growing trust in You,
